16.08.2016.g.

Dear professor Angelovska,

bearing in mind the catastrophic weather conditions that caught Skopje and suburban areas at the beginning of August and the floods that caused deaths of 20 citizens, we hereby address you with the aim of providing help within our capabilities to our colleagues pharmacists that suffered damages during the violent storm. With this regard, we kindly ask you to provide instructions on the manner in which we can provide help to our colleagues.
